

Beneficial ownership attestation

USA PATRIOT ACT NOTICE: IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT UNDER THE USA PATRIOT ACT OF 2001. The USA PATRIOT Act establishes minimum standards of account information to be collected and maintained by CIBC Bancorp USA Inc., and all its affiliates (collectively, CIBC US). To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity opening an account.

What this means for you: When you open an account, we will ask for your legal name or the name of your legal entity, address, date of birth, government issued ID number, and any other information that will allow us to identify you or the entity. We may also ask to see a form of identification with your photograph or other identifying documents.

Section I: General instructions

What is this form?

Federal regulation requires CIBC US to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by the person opening a new account on behalf of a legal entity with any of the following US financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; and (v) an introducing broker in commodities. CIBC may also periodically request completion of the Attestation Form by existing customers as part of its regulatory obligation to conduct ongoing customer due diligence. For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the legal name, address, date of birth and Social Security Number (or passport number or other similar information, in the case of Non-US Persons) for the following individuals (i.e., the beneficial owners):

1. Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); and
2. An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under Section IV, depending on the factual circumstances, up to 4 individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under Section IV, you must provide the identifying information of one individual under Section V. It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of up to 6 individuals (i.e., four 25 percent equity holders under Section IV, one individual under Section V and one individual under Section VI).

CIBC may also request to see a copy of a driver's license or other identifying document for each beneficial owner listed on this form. Additionally, for complex ownership structures please provide a copy of an organizational chart.

Section III: Exclusions

Does the Legal Entity qualify for one of the following exclusions requiring only the provision of Controlling Party information?

Charity, NFP, NGO - The legal entity is established as a nonprofit corporation or similar entity (including a charitable, nonprofit, not-for-profit, nonstock, public benefit, or similar corporation) and has filed its organizational documents with the appropriate State authority as necessary. **Proceed to Section V - Controlling Party**

Pooled Investment Vehicle - The pooled investment vehicle is not operated by or advised by a financial institution, such as non-US managed mutual funds, hedge funds or private equity funds. **Proceed to Section V - Controlling Party**

Section IV: Beneficial equity owner information

No Owners ≥ 25% - Please check here if there are NO beneficial owners meeting the percentage equity interest threshold of 25%. **Proceed to Section V - Controlling Party**

If the legal entity listed above is owned by another legal entity (indirect beneficial ownership), such as a holding company, it is required that you “look through” until one or more individuals who own ≥ 25% of the legal entity listed above through direct ownership is identified.

Note regarding Legal Entity Customers ultimately owned by trusts: If a trust owns directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise, 25 percent or more of the equity interests of a legal entity customer, the beneficial owner under the ownership/equity prong is the trustee, regardless of whether the trustee is a natural person or a legal entity.
